If we add our immigration policy for entrepreneurs & some AI shit we have brewing / give us functioning crypto markets and Canada might just end up being America's hat forever.

Hope you are well my friend. Just checking how your island home survived. I know our place in Tortola got hit hard, but we sold it last year for a new place in Florida :) so the adventure continues.

Hope all is good. Ping me if you'd like to talk crypto or ICO's. Things are heating up.

best,

-Austin
