Hi Jeffrey,

I hope you are well. My apologies for interrupting in what I'm sure is a crazy media storm for you & your team. I will be in NY next week and would always appreciate your advice & council on a few things both business, Bitcoin, personal & esoteric mind games that we play.

Should you have time for me & think it appropriate for a visit, I would welcome the chance for a drop in.

respectfully yours &

best,

{ {PS : I think it is a good time for me to revisit Andrew Larkin to spread some knowledge. But he should be warned I may bring a Bitcoin Belle who is an anarchist and was camping with Occupy New York, but not if it's inappropriate.} }

[Note to self: Don't comment on email threads : Letting Jeffrey play Jedi mind tricks with you only leads to a front seat at a Bobby Slayton Comedy Show]
