Pulling together flights & team.

Looks like the weekend of the 27th might be the better option to have the right people in the conversation. I can still do this weekend, but the weekend after might get us the best result.

Does this still work? Let me know.

Great - I can have a small team ready for a brainstorm Saturday afternoon or Sunday morning - your pleasure : only request I have to be back in Montreal for a family dinner Sunday @5 so either I leave by 1pm if I'm flying civilian or I'll need to borrow a plane for the ride home (don't worry I don't think & fly 😊)
