ephemeral, on demand, video chat room, better encryption & privacy - don't know what lists your on 🙄 but I'm on a few - better than Skype.

Make them work for their intelligence.

I'm doing some meta-grumbling & planning on the whole ICO, regulation arbitrage thing - post burning man. I think there are some cool meta-move that might make things interesting to put players out there in play.

Interested in having a chat? Comparing notes?
