Limited Partners of CCP II,

We are excited to share that we completed our fundraise last month for Crypto Currency Partners II, LP. The fund closed just above our target of \$10m.

We are appreciative to have you onboard as limited partners. The fund has already made some excellent investments that are progressing well. You should expect an Investor Update by the end of this month, highlighting material industry developments and short updates on the portfolio companies in the fund.

In December, our team participated in a research call with famed bank analyst, Mike Mayo of CLSA. There were over a hundred of Mike's clients (large institutional fund managers that own shares in bank stocks) on the call. We discussed opportunities and challenges that Blockchain technology presents to financial incumbents.

Thank you again for your confidence and trust in us. 2016 is going to be a very exciting break-out year for the blockchain ecosystem. As always, please feel free to contact us with any comments or questions you might have.

Sincerely,

Bart, Brock and Brad
