Thank you Masha (bcc) and hi again, Jeffrey.

Jeffrey:

Did your assistant forward along my email from the day we met? Unsure if this is the first or second time we're communicating electronically.

Let's get you some press. I have begun mentally writing a story with a headline to the effect of "The Billionaire Bitcoin Bull Sounds Off On Cryptocurrency." In my imagination, the story starts with who you are, establishes some street cred within the crypto space, and then serves up your ideas/positions on the state of cryptocurrency.

Anyone reading the story will clearly understand that this is just one of your interests, not your sole interest. I'd want to talk with you more deeply about how/why the US government is stuck in the mud on Bitcoin, ask you to repeat some anecdotes from our meeting, and generally work toward establishing some trust with you as a journalist. I'm one of the good ones, I swear.

Is there a convenient time in the near future for us to speak on the phone?
